Parents Parking Promise

Parents/Carers

*Please note that if you do not drive you can still support the initiative by completing the slip below and ticking the box; then return to school by **Thursday 5 June 2025**

Congestion on the roads around school at drop off and pick up poses a risk to children and their families, as they travel to and from school.

It is a parent's responsibility to see their children safely to and from school but, in doing so, they should not create dangers to others. Walking, scooting, or cycling to school has endless benefits for you and your child/ren and is without doubt the best way to travel to and from school.

However, we recognise that there are circumstances when travelling to school via car is the only option. If this is the case, then we would ask you to please park with care and consideration.

By signing the parking promise you are agreeing that, as a caring and responsible driver you:

Will NOT Park or stop on the 'SCHOOL KEEP CLEAR' markings during the hours stated

Will NOT Park on double yellow lines with the exception of a displayed valid Blue Badge

Will NOT Park on single yellow lines during the hours stated with the exception of a displayed valid Blue Badge

Will NOT Block the school entrances

Will NOT Park on the pavement, making it difficult for prams and wheelchairs to get by.

Will make sure children get out of the car safely on the same side as the pavement

Will Park some distance away from the school, walking a short journey, even in bad weather conditions

Will turn my engine off while waiting outside school, to avoid unnecessary air pollution

Please join us in supporting this initiative, by signing attached and returning it to school as soon as possible.

Thank you
